

Career and Technical Education 2023 Summer Conference

The Department of Agricultural Education, Technology and Innovation (AETI) at the University of Arizona offers 400 and 500-level credit to CTE educators attending and participating in the 2023 ACTE AZ **"Power of Connection"** Conference. The course may be used for teacher certification or recertification, or towards an undergraduate or graduate degree. AETI offers a Master of Science in Agricultural Education with two emphasis pathways; Research and Professional; and two (12-13 units) certificate programs. For more information, please check the web site at:
<https://agriculture.arizona.edu/graduate> or call (520) 621-1523.

Course AED 497G/597G - Instructional Advances in CTE (1 unit) Summer II – July 10, 2023 through August 9, 2023

This is course graded (A, B, C, D, and E) and Dr. Robert Torres, Department Head and Professor is the instructor of record, rtorres1@arizona.edu.

For 1 unit, Curriculum **requirements** include:

- Attend and participate in the conference. Proof of registration is required.
- Develop a summary listing all the conference sessions you attended.
- Construct the Outstanding Lesson Learned Log based on conference sessions and using the form provided by the instructor.
- Read, synthesize, and react to two recent CTE publications pertaining to any of the conference sessions.
- Contact for additional credit.

 Please submit all information to instructor by **August 9, 2023**.

 In order to earn credit in an undergraduate or graduate-level course, you must be admitted into the University of Arizona as either degree seeking or non-degree seeking undergraduate/graduate. Please CHECK the deadlines.

 For information on how to apply, please visit:
