

CTE SOLUTIONS

Powered by Arizona's Leading Exhibitors

WIN
PRIZES

Name:

Phone Number:

ACTEAZ has carefully filled this year's exhibitor hall with Arizona's leaders in providing innovative CTE solutions. These organizations are thought leaders in supporting hands-on learning, career readiness, classroom engagement, and workforce alignment. Use this opportunity to explore, connect, and strengthen the difference you make for your students.

Instructions:

- As you visit the exhibitor booths at Loews and Westin, complete the tasks on the bingo board. See the conference app for a complete exhibitor list.
- Ask exhibitors to initial the corresponding box when the item is completed. You may only use each individual exhibitor booth one time on your card.
- Submit your completed bingo board to the ACTEAZ conference office at either Loews or Westin by Tuesday 7/15 at lunch (12:45 PM) to be entered into a prize drawing at 1:15 PM in the exhibit hall at either hotel. You must be present to win.
- You do not need to complete all 36 — just complete a traditional bingo (six in a row) or go for a blackout to double your prize odds!

CONNECTION CONFERENCE **EMPOWER LIVES**

Identified a useful classroom resource.	I have gained an idea I can implement this semester.	I found a tool to enhance student career literacy.	Identified a product that supports hands-on learning.	Picked up a resource aligned with CTSO goals.	Received a demo of a simulation tool or virtual trainer.
Discovered a tool that supports student portfolios.	Identified a resource to strengthen advisory councils.	Learned about a way to track student progress.	I engaged with a booth offering career exploration resources.	Spoke to an exhibitor with solutions for rural schools.	I saw a resource I want to share with my admin team.
I found a hands-on tool I'd love to have in my lab.	I talked to someone about improving program outcomes.	Took a flyer or catalog to review later.	Learned about a resource that supports industry alignment.	I got a business card from an exhibitor.	Collected a sample or giveaway for your classroom.
Took a picture of something to remember later.	Got ideas for enhancing student employability skills.	Discovered a new way to engage employers.	Spoke to an exhibitor offering professional development.	Learned about a new curriculum resource.	Saw a tool that could boost student engagement.
Received a tip to improve your program's visibility.	Found a new tech tool to bring into the classroom.	Learned something you want to share on social media.	Talked to an exhibitor with internship or job pathway tools.	Met an exhibitor who partners with your school or district.	Found a tool aligned to your program's technical standards.
Tried out a hands-on demo or interactive feature.	Heard an inspiring student story.	Found a tool you are excited for students to use.	Met an exhibitor from an Arizona based company.	Learned something new about an industry partner or certification.	Got a sticker, button, or other fun swag from a booth.
